7. The situation reviewed above continues to implicate important diplomatic, financial, and legal interests of the United States and its nationals and presents an unusual challenge to the national security and foreign policy of the United States. The Iranian Assets Control Regulations issued pursuant to Executive Order No. 12170 continue to play an important role in structuring our relationship with Iran and in enabling the United States to implement properly the Algiers Accords. Similarly, the Iranian Transactions Regulations issued pursuant to Executive Order No. 12613 continue to advance important objectives in combatting international terrorism. I shall continue to exercise the powers at my disposal to deal with these problems and will continue to report periodically to the Congress on significant developments.

### **Letter to Attorney General Janet Reno on Child Pornography**

*November 10, 1993*

*Dear Madam Attorney General:*

A dispute recently has arisen over the scope of the current federal child pornography law. This dispute impelled the Senate to adopt a "sense of the Senate" resolution expressing its view that the law reaches broadly. I fully agree with the Senate about what the proper scope of the child pornography law should be.

I find all forms of child pornography offensive and harmful, as I know you do, and I want the federal government to lead aggressively in the attack against the scourge of child pornography. It represents an unacceptable exploitation of children and contributes to the degradation of our national life and to a societal climate that appears to condone child abuse.

This Administration supports the broadest possible protections against child pornography and exploitation. I understand that the Justice Department recently filed a brief in which the Department concluded that the current child pornography law is not as broad as it could be. Accordingly, the Justice Department should promptly prepare and submit any necessary legislation to ensure that federal law reaches all forms of child pornography, including the kinds of child pornography at issue in the Senate resolution.

Sincerely,

**Bill Clinton**
